Requesting to release of living Land of Keppapilavu -PilaKudiyiruppu

A copy of the Resolution unanimously adopted by the Northern Provincial Council at its sitting held on 09.02.2017 is reproduced below for your kind information and suitable action.

"The Temporarily resettled people of Keppapilavu model village are engaged in peaceful agitation throughout the day for resettlement at their traditional village of Keppapilavu, opposite of the Air Force Camp. They are fighting for their rights without any Political back ground .The complete solutions have not been given up to now, while justice demands the release of their land at Keppapilavu. If their reasonable demand is neglected it will result in serious consequences in the political back ground."

In the Kepapilavu Grama Niladhari Division, 524 Acres of land owned by private individuals remains to be released. Out of this 243 Acres were to be released by HE the President on 25January 2017. But unfortunately that too have not been released to the owners.

A total number of 84 Families are claiming to be resettled; Out of these 54 families have all the documents to prove their claims. These are the families who are now engaged in the agitation opposite the Air Force Camp at Pilakudiyiruppu in the Mullaitivu District.

We would therefore kindly implore upon you to intervene in this matter and cause the lands of those who have the documents to be released to them and ensure immediate stoppage of this agitation.

Thanking you.

With kind regards

Your Sincerely
